

SIUC College of Engineering's *Engineering Day Camp* is a three-day program designed for students to learn about engineering through hands-on experiments, demonstrations, and conversations with College of Engineering faculty and students. We seek to engage students' interest in engineering so that they can ably assume roles as the next generation of engineers.

Who should attend: Girls and boys in grades sixth through eighth
Program Date: June 24-26, 2008
Program Time: 9:00 am to 4:00 pm
Program Location: SIUC College of Engineering
Program Cost: \$100 for 3 days
 (1 day option available at \$35 per day)

Sample Projects:

- Hovercraft Construction and Race
- Saluki Egg Drop Competition
- Rocket Launch Competition
- Paper Airplane Design
- Royal House Flush
- Building with LEGOS

Program Requirement: The Academic Medical Release Form must be submitted to the College of Engineering in order for your child to attend.

Registration deadline is June 1, 2008. Enrollment is limited and is on a first-come, first-served basis. Early registration is strongly encouraged. Program fee must be paid by June 1st.

If you are interested, please contact Julie Eisenhauer at 618-453-7992 or Eisenhauer@enr.siu.edu.
